Saturday

CRESCO program

September 10 was Día del Niño (Children's Day). We decided to have a church wide celebration on Sunday the 9th. Everyone loves a celebration, so we had record numbers in attendance in both the main worship time as well as in our children's classes. Every available chair was needed to accommodate the number of people, so when we broke out for classes, the kids had to bring their chairs with them to class. We have never had twenty kids in class before. What a blessing that was. As you may have guessed, the following week we went out and bought more chairs! After service, we celebrated with cupcakes, piñatas, coffee and cokes.

Bible Studies Continue

Please continue to be in prayer for all of our Bible studies. We continue having maturing studies for our young Christians as well as group Bible studies each week. All of these are going very well. Normally, we have anywhere from seven to eleven personal Bible studies each week with non-Christians. We continue to be encouraged by the dedication and interest shown by those involved in studies. Several of these individuals are close to making Jesus the Lord of their lives. Please pray that their hearts will be open to Christ and they will put their faith and hope in Him.

Hospital Visit

One of our regular visitors, Mina, had two heart attacks early this month. She was in the hospital and we wanted to go visit to encourage her and her family. Thanks to our new van, 15 of us were able to drive to Santa Rosa to do just that. The women wanted to bring coffee and bread to the hospital to share in all the halls. (There are no private rooms, just halls with about 20 beds each.) Kris made coffee and the ladies all bought bread and cookies and off we went. We had the opportunity to pray with many of the patients and share coffee with them and their families. We had a wonderful night together.

Tuesday, September 18th, the ladies group met to watch War Room. We had watched it last year, but with so many new women in our group we thought we would show it again and provide an opportunity to invite a friend. There were 30 women who came! (not all in the photo) Praise God. We are hoping to follow-up with each of our visitors.
